

Corporate  
Club

# Welcome to the IGA Corporate Club

Whether you are a high-class company, or just entering the geothermal market, or simply keen to increase your geothermal project portfolio, you have come to the right place.

Cross-over and technology transfer, turnover increase, strong partners and new projects, active networking, personalized collaboration plans and online visibility - together we help you gain global recognition.

# How do I become a Corporate Member?

## **Choose a corporate category**

We have three corporate categories: Giga, Mega, Kilo. The overview of each is presented below. You can also visit the **corporate page** on our website.

## **Register and pay a membership fee**

You can register for a corporate membership **online**. On- and offline payments are accepted.

## **Profit from being a corporate member**

We help you find the **right connection** through active networking, new collaborations and projects.
