
Welcome to the IGA INSIDER CLUB

Set the standard. Influence. Shape the future.

We are ready to offer you...

EXCLUSIVITY

CONNECTION

INFLUENCE

How does it work

1. Choose what type of insider you want to be:
Tera, Giga, Mega

2. Contact us and receive a special welcome letter with next steps

3. Together with us shape up your personal collaboration plan

4. Shine at WGC 2020 CEO Event and share your experience with the Global Geothermal Community

Don't miss your opportunity to become an insider now!

Category
Tera

15 000 EUR

You are Tera because...

As a world-class company you are keen to shape the geothermal agenda. You are actively seeking influence in order to increase geothermal project portfolio through agenda setting and engagement with political and industry leadership at global level.

Category
Giga

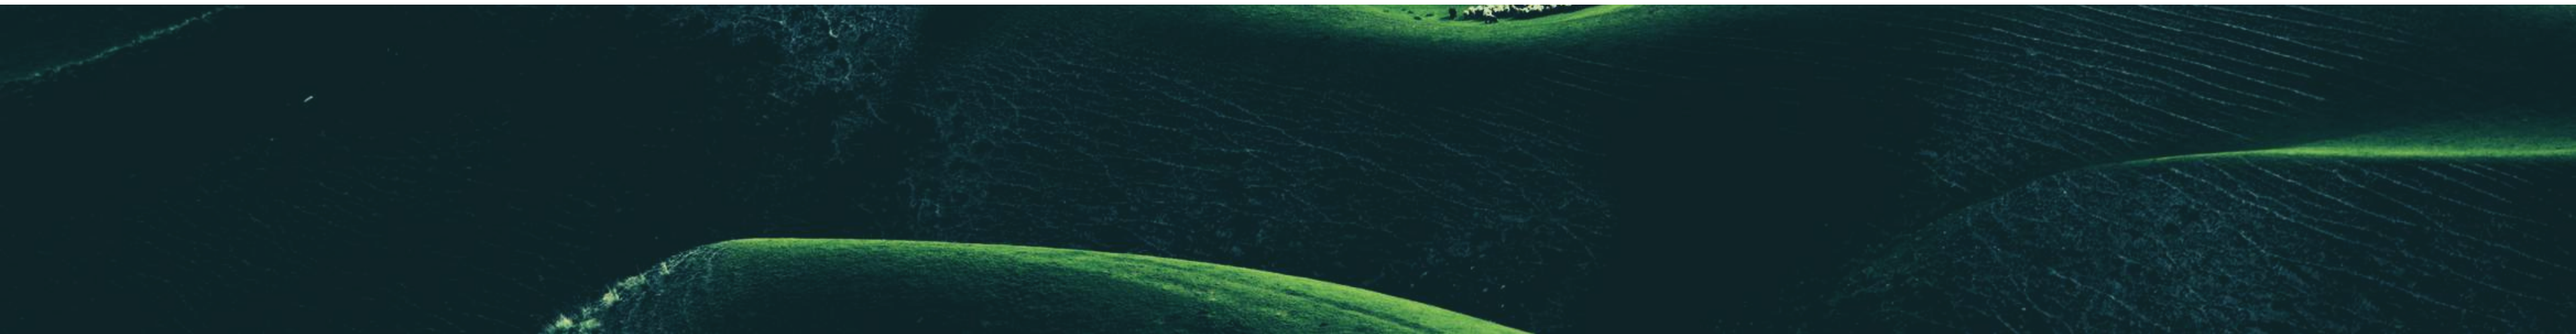
10 000 EUR

You are Giga because...

As a high-class company you are keen to increase your geothermal project portfolio through active networking. You want to get value out of a personalised collaboration plan, visibility online and at events where the global geothermal community meets.

Category
Mega

5 000 EUR



You are Mega because...

Your company is keen to enter the geothermal sector as a start-up, or to diversify your existing geothermal project portfolio through active networking. You want to gain global recognition and raise your profile online and at offline events.

We are offering...

PERSONALISED COLLABORATION PLAN
